If of many moments have we ever had the pleasure of association yet had the pleasure of association yet assure you that no one possesses I assure you friendship than you more of my friendship than you Then remember me as your true friend Sherier but and Sevier but and Sevier but and Sevier but and Sevier but and Sevier

My dear friend. Mon shall I made -How can I mile - What can I say - to unfold the mysleseons norhings of He heart. Beautiful sentimentality ville in charle and elegant diction. - high-sounding adjectives and exquisite cluster's of shelovie, but too often. emenale from a heart cold callons. Corsulat and consoded: but is these not some mord some simple mord that speak's the language of the cont. - Shat shrills the heast with mingled fulings of pleasure and sadnes. Good by: oh how sad! The eye grove dim and the heavy sigh comes rulling up from the foundains of Fidelity and South. Shall me un met again! Our pashs dungen mill shey wer cross each other? Sesting alone decides. On That I could has aside she soil that hides The fulure, and shere behold such generous friends as you have been may it be as delightful-as enchant Ing as pleastant: as outh you she
